WORK SAMPLE: SUMMERJAM

Intellectual Property & Design by Aeron Ogden, 2023

The Mozart's Gym SummerJam is a rock-stage inspired outdoor concert that is held each August at Elite Sports Club in Brookfield, WI. SummerJam is almost entirely a group concert, with young students arranged in same-instrument ensembles and the more advanced students having the opportunity to perform in "bands" with keyboards, guitars, drums and vocalists. As the more contemporary of the two Mozart's Gym annual concerts, songs are primarily chosen from Pop, Rock, Country, Musicals, Video Games, Movies and Electronic Music. Since 2013, advanced students have had the opportunity to perform alongside top Milwaukee-area professional musicians.
